Dear Sir

SUB :: INTER CIRCLE TRANSFERS 2020

REF :: OUR LETTER CBOU/13/2020 DTD 20-04-2020

We had yesterday submitted our request regarding certain relaxations that may be considered in connection with the Inter Circle Transfers 2020. We are now receiving representations from many Direct Recruit Officers who have been inducted into our Bank in the month of September 2017. These officers mainly from North Indian States, have been posted to South Indian Circles and will be completing 3 years of out of state service this year.

These young officers, have been eagerly awaiting this years inter circle transfer options and seeing the cut off date they are developing a feeling of insecurity. Sir, as a practice since long, it is assumed that all Officers are eligible for transfer back to their home branches after completion of 3 years and the young officers could not be blamed for expecting so. As represented yesterday, an officer who undergoes a transfer or placement at different locations must be allowed to join spouse, children and parents living in different locations after completion of a specific tenure. Sir, it is no mistake of either the Officer or the Bank that the inductions happened during the month of September 2017. But just for a shortfall of 2 months let them not be put under wait for a further period of 10 months.

Through the above we placed all relevant facts and we request you, as the pandemic deepens, the Bank must support our young colleagues with appropriate response and in appreciation of their efforts in difficult situation by supporting them by way of a Home State transfer during the current year transfer process. We seek your intervention in favour of our officer colleagues.

Hope you'll consider our representation favourably and issue necessary guidelines at the earliest and oblige.

Thanking you

Yours faithfully

**H VINOD KUMAR
GENERAL SECRETARY**
